COMPANY OVERVIEW

Leverton Pastoral Company provides excavation, earthmoving, land clearing, and agricultural services. Our L90F Wheel Loader provides great value and productivity when it comes to moving earth, rock or timber.

Summary

Leverton Pastoral Company (LPC) is a contract earthworks and farming business servicing the Moree, Narrabri and Goondiwindi regions.

Founded in 1974, LPC is a privately held company, operated by a family who have lived and worked in the region for four generations. With an impressive CV servicing civil works, vegetation removal, agriculture, engineering, and government, our accumulated knowledge and skills can solve any challenge.

Description

Leverton Pastoral guarantee our workmanship is of the highest possible quality and will work as hard as humanely possible to ensure the job is completed on time and on budget.

Our business has a very strong balance sheet and is very conservative in our approach to debt and financial leverage.

Each task we undertake we assess the risk and determine the necessary skills, equipment and logistics required to complete the task.

Our business is compliant with Local, State and Federal Government regulations.

We have a Farmsafe Australia management system. We have specific policies for operations, maintenance and safety procedures.
